Editorial policy

The MIFLC Review was established in 1990 under the editorship of Leonor A. Ulloa and is the annual publication of the Mountain Interstate Foreign Language Conference. It publishes critical studies on the modern languages and literatures as well as interdisciplinary, comparative, linguistic, and pedagogical studies. Submissions must be based on papers and presentations at the annual MIFLC meeting. Papers prepared only for oral delivery and lacking proper documentation will not be considered.

Manuscripts may be written in English, French, Spanish, or German. They should be between twelve and twenty pages long, excluding notes, and in a format appropriate for publication, with all necessary documentation included. Documentation should follow the form indicated in sections 5.1-5.6.2 of the 1985 *MLA Style Manual*. The author's name should appear only on the cover page; it will be removed before review by the Editorial Board. Each manuscript will be evaluated by at least two editors or members of the Board; a third reader will be consulted in case of significant disagreement.

The author should send the original manuscript and two copies, along with a stamped, self-addressed envelope, to the Editor of the *MIFLC Review*. The deadline for submissions is December 30.

Accepted manuscripts are the property of the *MIFLC Review*, which retains all copyrights. Rejected manuscripts without self-addressed, stamped envelopes will not be returned.

All correspondence should be addressed to Professor Leonor A. Ulloa, *MIFLC Review*, P.O. Box 6937, Radford University, Radford, VA 24142.
